**Three Key Discussion Areas:**

1.  
Does the TLs need a Technical Guidance Reference/Best Practice Guide?  
→Yes
2.  
In what form should be such a Technical Library? Chatroom  
→No consensus
3.  
Who should be producing, overseeing and moderating the products?  
→No consensus. No moderation at all up to endorsement of the products

**Three Recommendations/Feedback**

1.  
The GRG will compile, evaluate, compile and present the results
2.  
The topic of the Technical Guidance Reference/Best Practice Guide should be further discussed
3.  
The Technical Guidance Reference/Best Practice Guide must not be part of the guidelines
