

**INSARAG TEAM LEADERS MEETING
2018
18-21 September 2018, Bucharest,
Romania**

LTQA WG Break-out session 19 September

Station 3

Facilitators/Note Taker

Johannes Gust, Brad Commens, Christophe Debray, Cem Behar and Arjan Stam

Three Key Discussion Areas:

1. Assessment and assignment, UCC needs to be aware of the different capabilities of Light, Medium and Heavy.
2. IEC exercise, 36 hour operation, join in IEC/IER of Medium or Heavy
3. IEC checklist, it is a minimum standard, check between guidelines and checklist and input from other WG's

Three Recommendations/Feedback

1. Endorse the Light IEC checklist
2. Light teams combine with other teams for IEC or additional staff as skeleton
3. Check with input of other WG's for integration of new components in checklist.
