Topic

How TL's can improve capability of RDC operations?

Station 1

Facilitators/Note Taker

Solveig Thorvaldsdottir, Daniel Gheorghita, Jacob Bolwinkel, Tsukasa Katsube

Three Key Discussion Areas:

1. How can we improve the concept of RDC?
2. How can we improve capability of coordination staff in RDC training?
3. How can we ensure that teams contribute to running of RDC?

Three Recommendations/Feedback

1. All the participants agreed that on the existing concept of RDC is good.
2. Joint and online training for RDC
3. After action review and tie up with training
4. Complications due to multiple RDCs should be addressed in training material
5. NAP could be utilized as training opportunity to set up the RDC so that host nations capability for receiving incoming USAR teams will be emphasized.
