Training Working Group

Three Major Achievements in 2017

1. USAR Coordination Course/Course Package
2. USAR Coordination Manual
3. USAR Coordination Course delivery to the regions

INSARAG USAR Coordination Manual

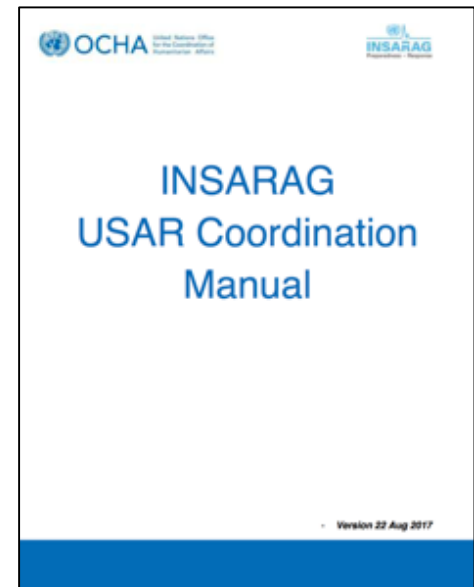

1. PURPOSE

- To provide guidance on the methodology of USAR coordination.
- To train and prepare USAR team members for USAR operations.
- The GL describes “why” and “what” for USAR coordination whereas this coordination manual explains “how” of the methodology.

2. CONTENTS

- (1) Reception Departure Centre (RDC)
- (2) USAR Coordination Cell (UCC)
- (3) Sector Coordination Cell (SCC)
- (4) The planning Process
- (5) Mapping

Also.. Information flow, Coordination Dashboard, RDC/UCC equipment list example and so on.

Training Working Group

Four Major Objectives for 2018

1. Revise Volume II – Manual C for GRG
2. Design a new IER Checklist, and Revise IEC Checklist
3. Prepare a TL/Mentor Course for delivery
4. Assist with revision to the regional Earthquake Simulation Exercise programme

Training Working Group

Next Steps –

- Harmonize work with UNDAC, OSOCC methodology
- Advocate regions to prepare for UC staffing and equipment
- IEC/R checklist update with UC and Info Management (done)
